Christmas is coming and many of us have special traditions associated with this joyous celebration. For some, it's the annual trek to the woods for the perfect Christmas tree. Others are actively baking all those delicious cookies, pies and other treats. Many are mailing out holiday cards to friends, family and neighbors. Presents are bought, wrapped and under our trees (at least the more organized of us have this out of the way). And our young are on their very best behavior as they wait for Santa Claus to arrive.

The traditions of the Slovak heritage are many, varied by region, and often unique. Perhaps one of the most unusual is the tradition of the Christmas Carp. In Slovakia, a large carp is part of a meatless Holy Evening (or Christmas Eve) feast tradition. What makes it unique is carp are quite a large fish, and many families keep it in cold water in their bathtubs prior to preparation for dinner. Other traditions include cleaning one's house from top to bottom and putting the tree up on Christmas Eve. Families attend Christmas Eve services together and upon returning home, enjoy dinner and the opening of gifts that night. Carolers come to the homes to sing and are offered food and drinks for their services. As Christmas comes, we:

Sadly, I send condolences to the family of Millie Barron who recently passed away. Millie had served on the Sokol USA’s Supreme Lodge’s Financial Committee for several years. She was an amazing woman and will be missed by all.

Thanksgiving is fast approaching, the weather has become cold and gray, and the Christmas and New Year’s holidays will soon be here! There will be many festive times in the next weeks with family and friends. People will go to parties, eat, drink, and be merry.

I encourage our Lodges to meet and engage in activities in the New Year. There are many opportunities for charitable activities and physical fitness. The Christmas holidays and the New Year are a good time to remember the needy, the shut-ins, and the less fortunate, and to share our blessings with them.

The New Year will also be a time for making resolutions and working hard to achieve them. One valuable resolution is to engage in a physical fitness activity. It will help shed the many pounds gained at the holidays and lead to better health. I have seen the benefits of daily walking and hiking, as in the past year, I have shed a couple of waist sizes. Our Sokol Walking Club is an idea way to move towards better health.

I send the happiest of holiday greetings to all of our members and wish all of you peace, joy, health, wealth, and happiness in the New Year!

NAZDAR!

Joseph Bielecki
President, Sokol USA
I’d like to take this opportunity to thank the many Officers, members, lodges and Regions that have sent gifts, cards and well wishes to me as I wind my way toward retirement.

The first 11 years of my life were spent in the Newark Sokol Hall as my father was the manager of that facility. So, it is evident that Sokol was in my life every day, and for many years after, up to and including today. To put it in a nutshell, it has been a wonderful experience of gym classes, social and sport activities, as well as toiling at camps or halls. And during those many years, there were an untold number of friendships developed from attending meetings, dances, competitions, slats, both, regional, national and international events. This brings many Sokol friends into one’s life. I am very grateful and honored to have met so many people and consider many as friends.

As Bob Hope used to say, “Thanks for the memories.” And I mean that sincerely.

On to the future, and I extend my congratulations and very best wishes to the newly elected National Board. I will work with the incoming officers and assist in having a smooth transition. Brother Ed Bohon, the incoming Fraternal Secretary, and I have met on a number of occasions and expect to continue meeting as there are many items to review and discuss. By the way, please note the new address for Headquarters. I expect in ‘retirement’ to haunt the National Board.

The National Board has a new position, which is the Recording Secretary, and Sister Kristen Merker of Lodge 306 was elected to that post. One of the responsibilities of that job is to coordinate and be responsible for the Sokol Times and also articles for the GBU Reporter.

Thank You!

Milan Kovac

HOLIDAY TRADITIONS

prepare not only to celebrate the birth of the Savior, but also say farewell to the previous year. As 2017 closes, Sokol has adopted new by-laws at our August convention, which take effect on January 1st. We moved our headquarters in East Orange, N.J., to new by-laws at our August convention, which take effect on January 1st. We moved our headquarters in East Orange, N.J., to Boonton Sokol Hall in New Jersey. Many thanks to the officers leaving the board at the end of December for their leadership and dedication to our organization.

The Lodge 32 Boonton Gymnastics Department is sponsoring a $10 calendar raffle running through January 13th. Contact Sister Judy Bindas at 973-960-8087 for more information. As always, please send any information on Lodge/Region events to share with all the wonderful activities that the Sokol members enjoy. Happy Holidays and Merry Christmas to all and to all a Happy New Year.

At left, Harvey Surette (left) and John Montgomery won the horseshoe event and, at right) Jerry Naven (left) and Earl Briggs won the shuffleboard event at the Lodge 114 Tarrytown Annual Clambake.

Lodge 114 Annual Clambake

Lodge 114 held its annual clambake on Sunday, August 27th at the National Sokol Inc., located at 155 Beekeeper Ave., Sleepy Hollow, N.Y.

This year I was again decided to have our clambake catered by J.P. Doyle’s of Sleepy Hollow since they did an excellent presentation last year, which was our first year using their catering service. Their menu consisted of not only the usual clams, sausage and peppers, burgers and hot dogs, but also shrimp cocktail with crab meat, barbecued shrimp, grilled baby lamb chops and three salads: vegetable, potato and macaroni. The meal ended with a course of steak, potatoes, corn on the cob, desert and coffee. Also, liquid refreshments were available throughout the day.

Our sporting events were horseshoes and shuffle board. There were eight teams competing in each event. The winners of the horseshoe event were Harvey Surette and John Montgomery. The winners of the shuffle board event were Earl Briggs and Jerry Naven (for the third year).

A special thanks to all the committees who made his possible. Everyone enjoyed the day with excellent food, drinks, weather and friends.

Sis. Walko reminded the delegates that there would be no motions from the floor regarding the by-laws, and that the by-laws must be approved by a two-thirds vote.

She called forward. Bro. David Waldo and Sis. Debbie Golden to represent the by-laws committee.

REPORT OF THE BY-LAWS COMMITTEE:

Advisors – Bro. David Waldo and Sis. Debbie Golden, Finance Committee Members
Chair – Bro. Ed Bobon, Lodge 22 – Brockton, CT
Secretary – Bro. Jeff Richter – Lodge 93, Bethlehem, PA
Member – Sis. Cindy Larson-Merkel, Lodge 306 – Chicago, IL
Member – Sis. Josephine Fuchshusser, Lodge 130 – New Kensington, PA
Member – Bro. Miguel Alcina, Lodge 2 – Bridgeport, CT
Member – Sis. Anna Schwink, Lodge 12 – Central, Jersey

Bro. Ed Bobon, Chairman of By-Laws committee, introduced himself and recommended that the by-law changes be accepted. On behalf of the committee, Bro. Ed Bobon made a motion to pass the proposed by-laws; it was seconded by Sis. Marlene Alcina.

Bro. Ed Bobon called for a voice vote, a ballot vote was requested from the floor.

Sis. Walko directed the introduction of the voting committee to Sis. Nancy Shurin. Sis. Walko reminded the delegates that they are voting, they are voting, that they are voting, and that is allowed to split votes (by requesting different ballot slips).

Sis. Walko noted that following the vote, the delegates would review each amendment and open the floor to discussion of each of the amendments to the by-laws. Sis. Nancy Shurin, Advisor of the Election and Ballot Committee, distributed ballots to the delegation. Sis. Walko confirmed that all lodge delegates had received their ballots, and Sis. Shurin then distributed the district delegate ballots, followed by distribution of the officer ballots. Sis. Walko confirmed that each lodge or individual who was entitled to a ballot had received them. She gave instructions for turning in the ballots and reminded the delegation what a YES or NO vote means.

FOR - accept new by-laws
AGAINST - revert to old by-laws

Sis. Walko reminded the convention that the convention cannot move forward until the voting tally is concluded; she also reminded the delegates that the amendments will be discussed at length after voting; the guidelines for open floor discussion for amendments are:

1. No person can speak more than twice
3. Speaking time is limited to no more than three minutes per time

She also clarified that if the new by-laws do not pass, it will not be necessary to discuss the seventeen total amendments. Sis. Shurin collected the ballots for the By-Laws vote. Sis. Walko excused the Verification Committee, and called for a 15-minute break.

Sis. Walko called the Convention back to order after a 15 minute break.

Bro. Ed Bobon reported there were 115 votes cast and 77 votes were needed to pass the motion. He reported:

44 votes FOR
35 votes AGAINST

The new by-laws passed by three votes.

The convention moved to review proposed amendments to the by-laws.

Bro. Ed Bobon reported that regarding BL-1, the by-laws committee recommended against the amendment. He read the following dissent:

Dissenting opinion for BL-1, Sports, Fitness and Wellness Department

The newly approved by-laws fail to recognize an essential part of our Sokol organization. From the inception of Sokol USA, a Gymnastics Department existed. This department has evolved into what has been called the Sports, Fitness and Wellness Department. This department is not mentioned in the by-laws.

LODGE 12 ON THE MOVE – Sokol USA Lodge 12 holds its gymnastics classes every Friday evening in a fully-equipped gym in Edison, N.J. Our participants range from preschoolers through retired members, and all classes are individualized according to the ability and experience of the participants. Members of GBU who live nearby are welcome to visit our classes and join if you like what you see. Contact ellenkovac@aol.com for further details and to confirm the evening that you plan to attend. XXXV CONVENTION – SESSION I
(Continued from Page 5)

Article VI, Section 23, detail the roles of the Co-Directors of Sports, Fitness and Wellness. Also, Article VII describes the Sports, Fitness and Wellness Committee of the District Board as consisting of just the two Co-Directors. The Co-Directors form an important committee of the District Board, but the SF&W Department is a much larger than this committee, and it an important entity that deserves to be mentioned.

The existence of the SF&W Department is essential to Sokol USA and is essential to promoting the first Sokol USA objective: To promote Sokol physical culture and sports, fitness and wellness to its members. The SF&W Department is composed of a large group of Sokol members that work year round. Its existence and responsibilities deserve to be included in the Sokol USA by-laws.

After an out-of-order discussion, Mr. Williams, the Parliamentarian clarified the delegates need a motion from the floor to accept the amendment. Mr. Williams asked if there was discussion from the delegation. Sis. Chris Yatchshyyn, Co-Director of SF&W Department noted that “the SF&W department does more for Sokol USA than any other department when it comes to promoting our society and accomplishing the ideals and the mission as set forth in the by-laws. It feels as though this was an omission”, and she notes she would have brought this up in a by-laws committee meeting if she had noticed. Sis. Yatchshyyn asks for support so that the SF&W Department is included in the by-laws.

Mr. Williams noted alternating discussion for and against the motion to provide a balanced discussion. As there were no delegates interested in speaking against the motion, Mr. Williams called upon more delegates who are in favor of the motion. Sis. Ellen Kovac noted that according to Sokol USA organizational structure, up until this moment, the gymnastics department had its own structural norms. The SF&W Directors are not nominated by the gymnastics department, and the SF&W is comprised of each district director who is elected by their district, and each lodge director, who is elected by their lodge. The gymnastics department is completely distinct from any committee or group within the organization. The directors of SF&W need to be able to work together to implement trainings and work together. It must be a distinct department because it is different.

There was a question from the floor posed by Sis. Marilene Alicea, District Jan Francisco: According to Sis. Kovac’s remarks, this is what they’ve been doing all along, but somehow it never made it to the by-laws; this statement is affirmed by Sis. Ellen Kovac.

Sis. Alicea inquired as to the necessity of the by-law if it has always been an informal understanding.

Sis. Nancy Shumia suggested a tally vote. Mr. Williams asked if anyone is opposed to the vote, no one spoke.

MOTION BL-C1 PASSED unanimously.

XXXV CONVENTION – SESSION I
(Continued from Page 6)

BL-C2: Bro. Bolon reported that the committee recommended against the amendment, and read the following:

Disassenting opinion for BL-C2: Merging Districts/Regions due to a lack of activities in the Lodges within a District/Region

The by-laws provide a detailed and specific description of the reason for the creation of districts, now called Regions. Article IX, Section 2 states: Regions are established for the purpose of facilitating the SF&W activities, concerts, public exhibitions, as well as educational work of Sokol USA, since districts are named in the by-laws. Although the by-laws further state in Article IV, Section 4: “Each region having a regular program of gymnastics, sports, fitness or wellness may be represented at the Convention by one of its directors . . . “, seven districts have sent voting delegates to this Convention.

Regions that have no activities that satisfy this clearly-defined original purpose still exist.

The by-laws have specific criteria to dissolve Lodges and to expel members, but there are no such provisions to remove or merge Regions. Merging regions would streamline the Sokol USA organization. Also, combining lodges with SF&W activities with lodges that do not fit in the single Regions could help to spark SF&W activities in the inactive Lodges. This would be done to encourage the growth of Sokol USA through new programs and activities.

Bro. Bryan Pracko moved to accept the amendment. Sis. Kathy Naccarato seconded the motion. Sis. Karen Ondra requested to know which districts have non-active lodges, and why it would be beneficial to merge them. Sis. Walko clarified it is not for a specific district.

Bro. Bryan Pracko clarified that the purpose of the by-law is not to merge right now, but to say that districts could merge, some time.

Sis. Walko spoke against the motion, and clarified she is a critic of the by-laws, because districts and lodges are not properly addressed. The by-laws change the organization from the administrative aspect. She stated it is not a good idea to change an organization piecemeal. The by-laws need to be changed in terms of districts and lodges in order to fit. Sis. Chris Yatchyshyn, SF&W Co-Director, clarified that this recommendation came from the SF&W. She agreed with Sis. Walko and amended the recommendation to state that a full revision of the by-laws section on regions and lodges be reviewed. Bro. Ed Bohus agreed with Sis. Walko and Sis. Yatchyshyn. He said a review of the entire section is necessary and urged delegates to vote down motion and start over.

Bro. Bryan Pracko withdrew his motion to accept the amendment. Sis. Kathy Naccarato withdrew her second. Sis. Walko reported THE MOTION IS DEAD.

Bro. Nicholas Dobarko, Jr. is required about the definitions of activity vs. inactivity. Bro. Todd Yatchyshyn, SF&W responded: Activity is described by any fraternal, sports or community activity. Bro. Burkhard reminded the delegate that Lodges submit activity reports to Headquarters. Sis. Chris Yatchyshyn clarified that anything that can inspire activity is the goal, to keep Sokol USA alive. Sis. Ellen Kovac voiced her support for Bro. Burkhard and Sis. Yatchyshyn because of increased transparency through the report - it ensures something meaningful is happening.

Bro. Todd Yatchyshyn proposed an exploratory question to avoid balloting. Jeff Richter seconded the motion. Sis Walko asked the floor. Is the third amendment accepted? The floor affirmed YES.

Sis. Walko reported BL-C3 passes.

XXXV CONVENTION – SESSION I
(Continued from Page 6)

Sokol USA Sports Fitness & Wellness
Department Annual Meeting Minutes
Friday, August 11, 2017 – Pittsburgh, PA – 5:30 PM

Welcome
Chris and Todd welcomed the attendees and thanked them for the great work they do to maintain their gym programs. They also thanked them for giving up their Friday evening to hold the annual meeting during the Convention rather than at a separate time.

OLD BUSINESS
American Sokol Slet
Sokol USA participation was strong; over 70 members attended the Am. Sokol Slet. Sokol USA had many gymnastics winners, several fitness challenge winners, and placed second in the Slet Relay Race.

Lodge/District Reports
Lodges were encouraged to share any updates since they submitted their mid-year reports. Lodge 12 plans to resurrect their Tot Program; Pen Argyl now has a Tournament Baseball Team; Monessen has added an Acro Class which involves dance, balancing and tumbling performed by pairs or trios.

District Board (SL) Update
Chris reported that there was again discussion regarding the types of policies available through GBU. Several board members expressed their displeasure with selling the yearly term policy to the youth because there is a large turnover each year. It was agreed that the 3-payment life policy that Mr. Sopoci originally designed for the gym programs was the one that worked best for the lodges with gym programs and members who purchased that policy make up a good portion of the present membership – even if they are not active in their lodges today. Bro. Bielecki was asked to bring this topic forward to GBU, asking them to consider offering a 3-payment life policy.

Discussion followed that focused on whether or not selling life insurance is the best method for membership since it is a difficult sell and Sokol USA receives very little in return. An alternative would be a yearly national fee, similar to the Am. Sokol model, which could help generate the national fund. This fee would be in lieu of a life insurance policy but in addition to whatever the gym programs need to charge in order to run their programs. The group decided to see what GBU’s reaction to the possibility of a 3-payment life policy is before making any other membership recommendations.

American Sokol Instructors School
Todd informed the group that the 2017 School will follow the Slet and be held at the Cedar Rapids gym. Todd will serve on staff and Sokol USA has three beginner students – two from Chicago and one from Farrell.

The 2018 School is scheduled to be held in Cleveland, some time after the CSO Slet in Prague. Todd reviewed the classes that the students attend. He explained that the curriculum is constantly evolving and the school also offers many certification opportunities to the students. It was recommended that the school also cover some crisis prevention/intervention and defusing techniques. Todd will bring this recommendation to the next school board meeting. The national directors urged the directors to continue sending students to Instructors School to help insure sufficient instructors for the future.

Mini Sokolfest – hosted by Monessen Sokol
Charity said the event went very well and was attended by gymnasts from DA Sokol, Farrell Sokol and Monessen Sokol. Todd added that the visitors felt the meet was very professional and they had a lot of fun during the social events and pig roast. He hopes many more will attend in the future.

Todd recommended that we hold another Mini Sokolfest next spring; date to be determined based on the Falcon Gymnastics schedule.

World Sokol Federation Update
Steve updated the group on the progress made regarding the Special Number Video event that is sponsored by the WSF. A group consisting of Sokol USA, DA Sokol and American Sokol created a rubric which better clarifies the requirements for entries. The recommendation was accepted by the WSF. Steve urges all lodges to create a special number that can be used at various functions throughout the year and perhaps have all numbers performed at an event in the future. It was mutually agreed that everyone would try to work on a number during 2017-18 and schedule a performance the following year, or at the 2019 Slet.

Collaborations
Todd updated the group on collaborations that have been occurring between Sokol USA, American Sokol, the Polish Falcons and the Slovak Catholic Sokol. A group of nine Boonton bowlers participated in the Catholic Sokols National Bowling tournament that was held the same weekend that Sokol USA traditionally hosts a tournament. The directors have received feedback from Boonton and will be sending out a survey to (Continued on Page 10)
Sokol USA Sports Fitness & Wellness
Department Annual Meeting Minutes

(Continued from Page 9)

decide how to proceed going forward with the Bowling Tournament.

The Polish Falcons hosted a Future Leaders Conference in February in Pittsburgh. Todd and the Bajek Brothers, two Americana Sokol members, attended – one an adult the other as a student participant. They found the event very worthwhile. Polish Falcons may open the event to more in the future. The Polish Falcons also have a Youth Summer Camp but have a shortage of staff. The Bajek brothers were both invited to serve on staff this summer; Todd hopes to make a visit one day during the summer camp that is being held in western PA. The Polish Falcons will also be hosting a face-to-face meeting on November 4th at their headquarters in Pittsburgh. Both Sokol USA and American Sokol have stated they will be in attendance; to date all other meetings have been conference calls. The Polish Falcons will also be hosting their Zlot (Slet equivalent) in Cleveland in 2018. They are willing to coordinate with us to hold gymnastics meet in conjunction with their event. Further discussion will ensue.

Liability Insurance
Central Jersey explained the difficulty they have encountered trying to get liability insurance since they only rent a few hours a week at another gymnastics establishment. Eventually they purchased individual coverage for each of their instructors. The directors shared the names of the insurance companies they use. Coverage is costly, but all the other gyms have been able to obtain it.

Sokol Times/GBU Reporter Submissions - Reminder
Please continue to submit items to headquarters. sokolusahpls@aol.com

Start sending items now for the OCT Sokol Times issue. Nancy Hughes (Shurina) also writes an article for the Sokol Times and the GBU Reporter and she is asking for any upcoming events, socials, etc. your lodge may be hosting. Her e-mail address is hughespbl@westinghouse.com

Code of Conduct (separate attachment) - Reminder
Please review this document with all instructors and lodge officers.

NEW BUSINESS
Am. Sokol Directors Conference
The American Sokol District Directors Conference will be held October 20-22, in Detroit. Chris and Todd will attend. There will also be a School Board meeting that Todd will attend that weekend.
Since American Sokol is not hosting a Development Conference this year, it was strongly suggested that each area hold at least one training session.

Chicago will be hosting a Calisthenics Writing Clinic the weekend of SEP 30-OCT 1.
The goal of this session is to create a new calisthenics exercise for juniors and young adults to perform at the 2019 Sokol USA Slet.

Sokolfest XXVIII
Todd provided an update on the 2019 Sokol USA Slet. After visiting gyms, high schools and hotels in both Detroit and Buffalo, it was decided that Buffalo was better able to accommodate our needs. With the close proximity of Niagara Falls, this additional feature may also help draw participants. Buffalo is within a day’s driving distance of most of our Sokol USA lodges and the majority of American Sokol Units that generally participate in our Slet. It is also a large hub for Polish Falcons who we also hope will participate.

Final arrangements have not yet been made and a schedule other than our usual one is under consideration. Possibilities include an opening ceremony at a local amusement part on WED, Gymnastics competition and evening social on THU; FRI morning Slet rehearsal, afternoon Fitness Challenge and FRI night Slet performance; SAT Volleyball Tournament, Marching Competition and Fitness Challenge; SAT evening Awards Dance; SUN golf tournament. Fun Bowling Tournament and 3-on-3 Basketball are also under consideration.

Two members expressed concern that the Slet would not be the finale of Sokolfest XXVIII and wondered if people would stay Saturday if they were not in the volleyball tournament. Scheduling concerns will be taken into consideration before final dates and times are decided.

Lodge/District Recommendations
Farrell: That Sokol USA financially supports those representing Sokol USA in the XVI Pan Sokol Slet in Prague in the amount of $300.00 per participant. The amount to be paid prior to the time that the money is needed to pay the cost of the trip. Participants to be verified by the Lodge Directors
Explanation: The money would aid in paying the cost of the trip which may extend into thousands of dollars per person.

Motion seconded; approved unanimously.

**Golfing for Children**

Participating Nathan Lounsbury Foundation Big Cup Golf Tournament Fund Raiser were Sokol Lodge 30 members (from left) Mark Omasta, Tom Omasta, Ava Omasta, Lindsey Mapes, newborn Savanna Mapes, Skip Omasta, Kristen Omasta, Rick Fusek, and Stephanie Lounsbury with her son Andrew. There were 136 golfers and many volunteers participated in this fun event that generated thousands of dollars, which will help fund a cutting-edge research study to help better understand and prevent SIDS (Sudden Infant Death Syndrome) from occurring. The foundation continues to partner with Boston Children’s Hospital to further this research. The Lounsbury family and Foundation are truly grateful to all of the sponsors, players and volunteers who made this year’s tournament a success. The event was held on Monday, October 2, 2017, at Richter Park in Danbury, Conn.

**SOKOL RAISING THE BAR FOR FAMILY FITNESS**

Some of us in the District Hodza area are getting shirts that say “Raising the bar for family fitness.” Originally planned to be worn at the Convention (but unavoidably delayed), these shirts state the Sokol philosophy in a modern way. The theme of the shirts focuses on family fitness because there is no age limit to exercise and good health the Sokol way.

Only a few Sokol USA lodges still have the luxury of a gym to call their own. But every member of any age can live a Sokol life of physical fitness. Many things can be done at home for free. I personally believe that washing the car and vacuuming the floors are excellent exercises.

What else is necessary to live a healthy lifestyle? They include: eating a diet with plenty of vegetables and fruits; getting adequate sleep; avoiding smoking; having something purposeful to do; being kind to others. Having someone to work with you toward these goals is a big plus. No one is too old or too young to get stronger and healthier.

In future issues of the Sokol Times, I hope to offer more suggestions gleaned from various sources on maintaining or regaining a healthy life and warding off “old age.” But don’t wait – start out today. Think of one thing you can do to improve your muscle tone, your diet, or your outlook on life. You will be on your way to a Sokol way of life: a sound mind in a healthy body.

Ellen Kovac

PS: It would be great if you would share your favorite simple and free ways to improve fitness. What do you do? Send a description of it to Sokolusahqs@aol.com, marked “For the Sokol Times.” Let’s get a column of suggestions going!

**IN MEMORY**

Of our deceased Brother and Sister Sokols with a sincere expression of sympathy to their families from the National Officers of Sokol U.S.A.
